

**AN AMENDMENT TO PROVIDE FOR UNIFORM PENALTIES FOR VIOLATIONS OF
PARTS 1, 2 AND 3 ZONING REGULATIONS.**

It is the intent of the Montana Association of Counties to support legislation that amends current statutes to provide for uniform penalty provisions for violations of zoning regulations for Part 1 (petition created), Part 2 (county created) and Part 3 (municipal) zoning.

WHEREAS, Part 1 zoning provides for enforcement of violations, but does not provide for penalties; and

WHEREAS, Part 2 zoning provides for enforcement of violations, but only allows for criminal penalties; and

WHEREAS, Part 3 zoning provides for enforcement of violations and also provides for both civil and criminal penalties; and

WHEREAS, zoning regulations are of little use without the ability to enforce the regulations because of the lack of penalty provisions; and

WHEREAS, having different penalty provisions between types of zoning makes enforcement difficult and confusing.

NOW, THEREFORE BE IT RESOLVED that the Montana Association of Counties support amending current statutes to provide for uniform enforcement and penalty provisions for all types of zoning.
